Dear Members.

RE: MOTOR CARAVANNERS' CLUB ESSEX GROUP.

With Coronavirus being the main news at the moment as a group we are guided by the information issued by the Chief Medical Officer in relation to how this will affect our rallies. Currently nothing has changed, and all rallies will continue, but should we get advised by any of our venues with a problem we will inform you all as soon as we can, on Facebook and our website. Please be responsible with your own health.

If you have any concerns or would like any information, please do not hesitate to contact me

Yours Sincerely.
